

FACULTY DETAILS OF CD GROUP OF SCHOOLS

Each profession occupies a specific niche in society – doctors, teachers, engineers etc. Teaching, however, stands out as a subsumptive entity. At every stage, teachers instill the transcendent faculties of communication, decision making and awareness of social responsibilities. In short the success of a school depends on its faculty as they are the pillars of any institution. CD Group of Schools, Gurugram has already climbed the ladder of success by maintaining the result of the Board classes between 99-100% mainly because of its excellent, dedicated, creative, passionate and experienced faculty at PGT, TGT and Primary Level.
