

## **CD INTERNATIONAL SCHOOL**

**Wellness Coordinator-😊**

**School Wellness Coordinators do more than teach health class. They develop and oversee wellness programs and initiatives, create and roll out health based curriculum and respond when necessary to health crisis. She may oversee and evaluate overall student health and help a school meet health guideline the school district sets.**

**At CDIS, she teaches students how to perform talk about growth and development, lead classes on sex education and serve as a resource for faculty members.**
