- Academic excellence, ensuring that ultimately the best emulate us.
- A quest for true knowledge to evolve as a self - confident, multi-faceted human being.
- Desirable traits and characteristics – that intangible something, which is called personality.
- The force of "self" within an individual for all round holistic development in order to produce good citizens.
- Values that help cross all hurdles and barriers in life.

## ONLINE EXAMINATION LAB

- CDIS has an excellent State of the Art infrastructure that can accommodate 300 students in one seating for paperless Online Examination.

### ENGLISH LANGUAGE LAB

The importance of English language cannot be mitigated even if so desired. It is almost necessary that a learner has a good command over the language to allow him overall success in life. Having clarity and accuracy of the English language gives confidence to the learner and opens doors to avenues otherwise out of reach. His/her understanding of the nuances of the English language serves as a platform to rise and evolve in his life and career. CDIS has made the provision of English Language Lab for the students.

### eSCHOOL

UDT eSchool is a platform to bridge gap between school and parents, parents and school management can track daily progress of wards to access their progress which will help students in their career building and helps in tracking of student in terms of safety. Schools can have track of fees and payouts thru UDT modules which relaxes accounts, UDT even helps school operation and saves manpower involved in day to day management of School Management. CDIS is equipped with UDTe.

### e-LEARNING

Education is constantly changing the way students learn and how instructors teach. Technology is often the driving force behind many of the world's changes and innovations. In education, creating an e-learning culture is more about developing and tweaking what already exists, sharing a common vision, and doing things a little differently. CDIS: E-learning offers opportunity to raise educational standards in school. With changing educational technology different potential ways of technology are being implemented to make learning effective @ CDIS.

### SPORTS ACTIVITIES

Sports is an integral part of a healthy life. It is one way in which we amuse ourselves, compete with each other and stay fit. Sports make us understand the importance of teamwork and co-ordination. It teaches the children life skills like teamwork, leadership, patience. Keeping this in mind CDIS holds the weekly sports activities like Yoga, Football, Basketball, Skating, Taekwondo, Hockey, Volleyball, Kho - Kho, etc.

### SAFE & SECURE TRANSPORT

CDIS has a large fleet of buses with CCTV cameras along with GPRS monitoring. Trained drivers and bus attendants take care of the children. We ensure the safety of each and every child. Complete and safe tracking system is maintained for the safety of children while picking and dropping of the children. ID Cards have been issued to children and special care is taken while handing over the children to their parents.

### SEEKHLEY ACTIVITIES @ CDIS

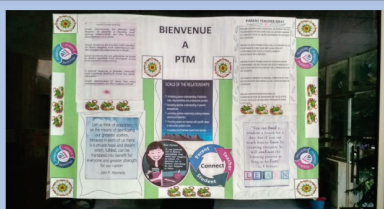

The students of CD International School (IV-X) are part of Seekhley Experimental Learning Program which ignites a passion for 'learning by doing'. The STEM sessions help students to learn through the lens of experience. It inculcates a sense of inquisitiveness and scientific acumen in them. Seekhley aims to make education hands - on by relating school course with real world applications. Seekhley focusses on inculcating skills, competencies, and attitude in students to make them ready for the challenges of the 21<sup>st</sup> century.

### CLUBS FOR STUDENTS @ CDIS

The CD Club in the school ensures all the students are a part of one club or the other. The club includes sports, science, business studies and literature. The aspiring engineers, accountants, entrepreneurs, writers, journalists and sports persons will get an opportunity to interact and learn from the experts in the respective fields. The various club activities will enable the students to develop confidence and other essential soft skills. The school has necessary infrastructure.

### PARENT-TEACHER MEETING

An effective parent - teacher partnership can make a significant difference in child's education. It is important to approach each parent - teacher meet as an opportunity to refine the child's individual learning plan and to make sure the roles of teacher, student and parents are clear, specific and designed to bring out the best in one's child. PTM will help the parent and teacher to chalk plans and efforts to be made to accelerate progress.
